The Principles of Language

That sort of memory which enables him to reproduce what he has heard one, several, or many days before is called prolonged memory.

The principles of language study : Palmer, Harold E., 1877

January is the first month of the year; London is the capital of England. I may go has more than one meaning, but let us first teach it in the sense of Perhaps I shall go; the other varieties are not of pressing importance. It is during the elementary stage that we turn out the good or the bad worker.

The Principles of Language

Students who have received credit for LING 3060 with a grade of A prior to declaring a major in linguistics may substitute LING 3060 for.

Principles of Programming Languages Books, Study Material & Notes PDF

If a Frenchman cannot grasp the difference between to go in and to come in, it is because the explanations given to him are lacking in concreteness. When we ourselves set out to explain anything we may be quite sure that in a very few moments we shall use one of the expressions in question, and indeed our certainty is justified in almost every case. We will now proceed to set forth another pair of rival processes and determine which is the one followed by the natural language-teaching forces.
