To the west the ferry permits direct access to Morvern, Moidart and via the pretty village of It also provides a link to the short ferry crossing to Mull from thirty miles to the south west. When you buy a Soul product, you contribute to this family, and each person contributes something special to the Soul story. We have also uploaded the larger files to Dropbox and you can view them by clicking on the links below.

You are right about the route and my first thought would be to skip the ferry but drive from Lochaline to Mallaig which is a lovely drive in itself you could do a slight detour double back to Glenfinnan depending on your route and also explore the coast between Arisaig and Morar taking the old coastal road. It is intended to provide real time availability information relating to accommodation which is also provided by third parties.
