New bypass plan to end M6 and M5 traffic misery

Search our Search for jobs, motors and property, or place an advert or family notice. West Midlands Police also revealed that two drivers were clocked on that stretch doing 109mph and 100mph, but in October 2017 before the smart motorway works began.

New bypass plan to end M6 and M5 traffic misery

The alternatives are to build a new 1. The high construction cost is attributable to the route of the road, which has to traverse the West Coast Main Line, and to this end new bridges will need to be constructed. Hauntings The M6 has been found to be the most haunted road or reputedly so in Britain, in a study performed on behalf of Tarmac, the roadbuilding company.

Highways England

The M6 crosses the River Lune at this point and unless the bridge had been made wider, there was no space to build a longer slip road.

RECAP: Delays on M6 following collision

There will then be a further consultation period before an application for planning permission is submitted in 2016.

Changes made to M54 and M6 link road plan to ease concerns

Improvements to the A46 Stoneleigh Junction are expected to be awarded funding from West Midlands Combined Authority and Department for Transport later this year, with work pencilled in to start this autumn. History of the proposal In December 2002, the then Secretary of State for Transport, Alistair Darling, announced his decision to widen the M6 between Birmingham and Manchester as a result of a study that had recently been completed. A contraflow will reduce the amount of overnight closures we need by around 60%.
