Making sure climate solutions don't make more problems

See Eichengreen and Garber 1991 and Toma 1992 for descriptions and analyses of the pre-Accord period.

meaning

If expected inflation moves with actual inflation, and the real interest rate is not too variable, then the nominal interest rate declines when inflation declines--an effect known as the Fisher effect, after the early twentieth-century economist Irving Fisher.

Community leaders making sure vaccine information is accessible

Do not let your ego take control.

Making sure no kid goes hungry: Laupahoe school receives grant to feed students during the pandemic

Jalonne White-Newsome says this is not a new problem.

Making sure your retirement account will provide an income stream

His acrobatic moves make him the envy of teenage boys and his good looks and megawatt smile a heartthrob for teenage girls, ensuring his status as one of the NBA's premier pitchers ... — Allison Samuels et al. The economy grew strongly, and by the way, 1934 was one of the best years of the century for the stock market.

2 PETER 1:10 KJV the rather, brethren, give diligence to make your calling and election sure: for if ye do

In practice, the effectiveness of anti-deflation policy could be significantly enhanced by cooperation between the monetary and fiscal authorities.

The EU scheme making 'SURE' unemployment stays low

One approach, similar to an action taken in the past couple of years by the Bank of Japan, would be for the Fed to commit to holding the overnight rate at zero for some specified period. You should, therefore, avoid including elements that start without the user first prompting them. Moreover, since the United States is a large, relatively closed economy, manipulating the exchange value of the dollar would not be a particularly desirable way to fight domestic deflation, particularly given the range of other options available.
