Hoffa Dissapearence/1975: International Women's Year

The breakthrough human rights in the 1970s 1st ed. Greenwood Publishing Group, 1995 , pp. In turn, CSW approved the proposal and submitted it to the General Assembly, which proclaimed 1975 as International Women's Year on 18 December 1972.

International women's year, 1975 (1974)

This tale of encounters-between North and South, East and West, the grassroots and the bureaucratic-sets a high standard for the practice of international history, no less than the history of feminism. Prominent attendees included and of Australia. You know, like the woman has always been on trial and not -- not the man.

International Women's Year

If they do, well, then I'll do something with my bat.

International women's year, 1975 (1974)

The state-sponsored program advocated women's solidarity in the national struggles to free women from oppression based on class, race and gender through state socialism .

International Women's Year

It means educational and social opportunities for women of all nationalities. UNIFEM Headquarters, United Nations Secretariat document, New York.

Remarks Upon Establishing the National Commission on the Observance of International Women's Year, 1975.

A stylized dove intersected by a female symbol and an equal sign, the emblem was donated by then 27-year-old New York City advertising company graphic designer Valerie Pettis. My thing into this -- in this thing here is how much justice will I get? The conference was a major

watershed in second-wave feminism, but in a larger sense, it marked the consolidation of transnational feminist organizing and a turning point in the role of NGOs in international activism, organizing, and governance. Up until then, 34 states of the required 38 to ratify had approved of the proposed 27th Amendment to the Constitution.

Remarks Upon Establishing the National Commission on the Observance of International Women's Year, 1975.

What am I gonna be afraid of? This event officially marks another step in our Nation's efforts and efforts around the world, for that matter, to improve the educational, economic, and social status of women. America's women are now in the frontlines of our national effort to rekindle the spirit of our revolution--a spirit that, just 1 year short of our 200th birthday as a nation, still says all people are created equal, a spirit concerned about the reality of those words. In the arts, Sarah Caldwell became the first woman named to conduct the Metropolitan Opera House Orchestra.

World Conference of the International Women's Year

The vast potential of women has only been partially explored. Once support had been garnered for the declaration, the next step was to prepare it to become a. But it took no official announcement for women to be part of the news in 1975.
