So, just to take one example if the authorised use was covered by Class D1 a now E e , the condition quoted would still prevent its use within Class E f formerly D1 b. . Policy parameters for allowing Change in Beneficial Interest, viz

The Town and Country Planning (Control of Advertisements) (England) Regulations 2007

. .

Planning Circular 6/2013: development planning

. . Does it apply to changes within the same and now much wider Use Class? Delete whichever recitals do not apply.

SI 2015/596 Town and Country Planning (General Permitted Development) (England) Order 2015, Legislation

. Not more than one such advertisement, or, in the case of premises with entrances on different road frontages, one such advertisement for each such frontage, shall be exhibited in respect of each such person, partnership or company on the premises. No tent, campervan, caravan or vessel shall be used for the storage, display, advertisement or sale of goods or for the purposes of any business.
