## Home :: Bradford Schools Online

This blend of education and business will help our students to not only learn the banking system, but also take on the responsibilities that will ensure further student success.

### Our people

He has over 35 years of industrial experience including process operations, project management, process design, insurance, business risk management.

### Our people

Try again now or later. At Coca-Cola, he led North America channel strategy for convenience retail and collaborated with the US National Association of Convenience Stores NACS to launch several initiatives including NACS CAFÉ NACS Center For Advancing Foodservice Excellence ; an educational platform to develop the skills of member retailers.

## Home :: Bradford Schools Online

He serves on the international advisory boards of a number of business schools, including those at the University of Tilburg, The Netherlands; Turku University, Finland, and the National University of Ireland, Galway. This will help us continue to deliver vital public health messages and information about council services via our website and allow you all to access our services using online forms. Academic interests Academically, Roger has an eclectic interest in operations management, which is reflected in his research, doctoral supervisions and teaching, which includes information technology, strategic and operational flexibility, organisational behaviour networking and reliability , project management, supply chain management and more recently, sustainability.

### Nursing

The theory is that short, frequent, and unplanned absences are more disruptive than longer absences. In addition David is also programme leader for the School'd HRM degrees.
