He was also a commentator at the funeral of King George VI in 1952 and the coronation of Queen Elizabeth II the following year.

All Our Yesterdays

The Reader documents how the newsreels were produced, how they were received, and the controversies they inspired through the conflicting demands of news and entertainment. The documentary scenes of the war in the air, however, are full of errors, largely because these were put together using newsreel footage and at this stage of the war no such footage existed of German military equipment.
