Producing Desire: Changing Sexual Discourse in the Ottoman Middle East, 1500

Stanford: Stanford University Press, 2007.

H

This change would seem to reflect both the relative military weakening of the Ottomans as well as changing cultural attitudes in the West.

Sexology in Hebrew and Arabic

It is based on original research using

Among others, he was senior visiting fellow at Brandeis University and Skidmore College in the U. In chapter 5, Ze'evi turns his attention to the shadow plays that were especially popular in the Turkish-speaking parts of the Ottoman Empire. Since much of the older medical paradigm had been assimilated into Islamic religious discourse in previous centuries, the result was a confusion and incoherence resulting from the coexistence of incompatible models in the realms of medical and religious discourse.

Producing desire : changing sexual discourse in the Ottoman Middle East, 1500

No other work brings these 'scripts' together the way Ze'evi has attempted and successfully accomplished. The evidential basis for this claim is unclear to me. What is the future of Track-II negotiations? His is also an ambitious work, delving into fields that are often treated by different specialists: law, medicine, Sufism, dream interpretation, popular culture and travel literature.

H

These penalties tended to be less severe than those discussed in the Islamic legal tradition. Download citation producing desire changing sexual discourse in the ottoman middle east 1500 1900 review in this far reaching and thoughtful book zeevi studies the several ottoman. Discourse in fields as diverse at least to our minds as science, medicine, art, and politics assumed the existence of.
