## Children's homes

By the later 1850s it was in the factories that female and child labour was most evident. The story of London City Mission, London: Hodder and Stoughton. It was a study of cottages, villas, and other dwellings centred on a Wordsworthian argument that buildings should be sympathetic to their immediate environment and use local materials.

They significantly increase the numbers of people involved in local housing matters because they have real powers , and of generally improve the service residents get.

**The Public Library and Reading by the masses: Historical Perspectives on the USA and Britain 1850 1900**

Already in 1864 the working classes had been reported 'in a hopeful state' enjoying fetes, picnics, and excursions as never before.

## John Ruskin

While Bell believes in the veracity of its content, he adds that the statement does not appear in Ruskin's published works.
