Situational Identities along the Raiding Frontier of Colonial New Mexico : Nebraska Press

Only the Tiguas of Ysleta retained a distinct ethnic identity, but even they were primarily Spanish-speaking and acculturated in many ways. Request reprint licenses, information on subsidiary rights and translations, accessibility files, review copies, and desk and exam copies.

Seventeenth

Participants supplied their own armor and weapons, and those who had a horse received two shares, one for himself, the second recognizing the value of the horse as a machine of war.

Stories

Virtually all expeditions after the Columbus voyages, which were funded by the crown of Castile, were done at the expense of the leader of the expedition and its participants.

Project MUSE

This joint institution of indigenous communities and the Spanish church and state was developed in response to the often very detrimental results of leaving the Hispanic control of relations with Indians on the expanding frontier to overly enterprising civilians and soldiers.

Seventeenth

The Conquest of Michoacán: The Spanish Domination of the Tarascan Kingdom in Western Mexico, 1521—1530. Thus, even in the area of religion, pre-Spanish Filipino was not entirely destroyed.
