Making Hospital Partnerships Work

The Hospital Foundation membership includes a wide variety of people from many facets of the community, all of whom share a common interest in providing healthcare to Fairbanks and Interior Alaska.

Infographic: Why Hospital

Playworks uses the power of play to increase physical activity and provide productive recreational opportunities for kids within schools, both during recess and after school hours.

Is the Community Hospital a Dying Model, or is it the Future of Healthcare?

Other Types of Partnerships With local businesses. After a serious PR crisis, Naples Community Hospital needed reputation management within the community. Commitment to Partnerships — Our Foundation is committed to partnering in our Community relationships.

Measuring Hospital Contributions to Community Health with a Focus on Equity

Funds will be distributed as part of an with the 's program

Is the Community Hospital a Dying Model, or is it the Future of Healthcare?

The number of patients treated at FQHCs is skyrocketing, providing further evidence of the rapidly increasing importance of community health centers. It will also support community partners to build capacity to offer sustainable summer and afterschool meal programs.

Infographic: Why Hospital

The Plumfund Story: It takes an army When Palm Drive Hospital closed in April of 2014, after 73 years of service to residents of Sonoma County, CA, two hundred people lost their jobs, and a community lost access to life-saving services.
