## Simone de Beauvoir (Stanford Encyclopedia of Philosophy)

Aside from that, these two individuals have different opinions concerning philosophy and life in its entirety.

## Rousseau and Human Nature

In contrast, a political system based on trust and respect rather than impersonal norms and standards brings great concern with regard to an ongoing and irresolvable struggle. The lack of engagement of the aged, Beauvoir notes, is in part imposed from without and in part comes from within; for as we age, the body is transformed from an instrument that engages the world into a hindrance that makes our access to the world difficult. The series of disastrous wars that swept over Europe, however, intensified a mood of eschatological expectation and heightened the fear or hope of revolution and an overthrow of the existing order.

## The nature of man; studies in optimistic philosophy, (Book, 1903) [play.fridaynightfunk.rf.gd]

Hence as regards those things which exist or are produced by nature, although that from which they naturally are produced or exist is already present, we say that they have not their nature yet unless they have their form and shape.

## Simone de Beauvoir (Stanford Encyclopedia of Philosophy)

Is emotion an essential part of artistic appreciation? Good philosophy is not just a question of personal preference in everyday thinking since everyday thoughts do not have the level of self-awareness of reasoning processes. Albany: State University of New York Press.
