Situational Factors, Social Influence And Extremes Of Human Behaviour

The supporters tend to have opposing values and the football clubs create a split through the city or area. L-R, on podium, , Owens, .

Fan violence: Social problem or moral panic?

Punk provides young white men the opportunity to explore and express their minority identity.

Fandom and Participatory Culture

Mr O'Hara believed that it was not enough to prevent known hooligans from getting into stadia as in fact they were not interested in football. The dynamic behind this study, was to investigate why so many 'ordinary' German people in the 1930s and 1940s followed instructions eg when working in concentration camps to cause pain and kill innocent human beings.

Politics and sports

Nevertheless, it is possible to learn important lessons from previous events. Some punks cut their hair into or other dramatic shapes, style it to stand in spikes, and colour it with vibrant, unnatural hues.

Kids First Soccer: Violence in Sport

Mr Bliki made the distinction between measures to be taken by the countries of origin of spectators and those to be taken by the organising countries of Euro 2000. Mr Colvin drew the attention of participants to the positive role of football in showing how different races could work together for a common objective. Political, military, and economic elites of both nations used the nationalist sentiments of the football matches to serve their respective class-based ends and divide the common rural poor of both El Salvador and Honduras.

What were the socio

The nature of punk allowed many to create a non-gender conforming style. Mr Elo said that in Finland spectator violence was almost inexistant.

Punk subculture

Also, police expanded their presence at the sporting events.
