Parent and child influences on the development of a Black

The term multiethnic, which refers to individuals of multiple ethnic backgrounds, is sometimes preferred to describe individuals of mixed heritage because ethnicity is a broader term that denotes a shared identity and ancestry among members of a particular cultural group. Other examples include an Asian female and an African American male, a Latino male and a White female, and a Native American male and an African American female.

Tri

Common reasons for wanting to seek out a counselor include life stress, history of trauma, depression, anxiety or unexpected mood swings. This is complicated by the fact that many social scientists believe that race is a social construct, with racial groupings being based on historical classifications rather than true genetic differences among people. Dolbin-MacNab, PhD According to the 2000 U.

Individual and Family Counseling

Nevertheless, the change seemed to mark a cultural shift that has allowed for individuals of biracial or multiracial backgrounds to express the full range of their heritage and not be artificially placed into specific minority groups. Multicultural Aspects of Counseling Series 12. Since that time, the number of multiracial families formed by transracial adoptions has increased.

ERIC

The historical context of American culture was also central in the lives of these families because of the recentness of the anti-miscegenation laws being struck down. The first of the stage models of racial identity was a 1971 model by William E. Identity development models pertaining to transracially adoptive families are even sparser than those developed for other multiracial families.

ERIC

Historical Perspectives The number of biracial individuals has increased over the years, particularly with increasing rates of interracial relationships and the repeal of antimiscegenation racial mixing laws in the late 1960s. Within the realm of the interracial family literature, however, there has been

disagreement as to the meaning of the term multiracial.

Bea Wehrly, Counseling Interracial Individuals and Families; Bea Wehrly, Kelley R. Kenney, Mark E. Kenney, Counseling Multiracial Families

Finally, the findings of this study have important implications for social and political policy.
