Sports Law and International Sports Law

This allows to link your profile to this item. He reminds me of Mozart or Beethoven.

The explosive growth of eSports

We will discuss those benefits consumption benefits in the next chapter, but for now let us focus on the role of sport teams in the local economy. Legal and corruption issues in sports gambling. Written declaration pursuant to Rule 123 of the Rules of procedure on combating corruption in European Sport.

Five Key Trends That Are Driving the Business of Sports

Instead of seeing sports and other forms of popular culture simply from, say, a functionalist perspective — and thereby necessarily emphasizing its adaptive and integrative ramifications for the social whole — it became possible to explore sports as a social domain of contending ideologies and values with a disparate range of relations to social reproduction and change. An agency theory perspective on corruption in sport: The case of the International Olympic Committee.

Economics of the Craft Beer Revolution: A Comparative International Perspective

See about how to correct material in RePEc. Cost-effectiveness of mass participation events, relative to major elite sports events, is discussed. Corruption and government: Causes, consequences, and reform.

The Economics of Sport: An International Perspective

Christopher Nolan seems to have this quality as well.

Five Key Trends That Are Driving the Business of Sports

Association and rugby football: Two codes, one historiography.

This is how coronavirus is affecting sports

While these are smaller costs individually, they are larger in number. The reliance of sports leagues on broadcasters, and of broadcasters on advertising revenue is laid bare by the coronavirus crises. You can help correct errors and omissions.
