College Recruitment Practices

Some campuses have ordered Chrome Books that students can borrow for success. Publications and recruitment techniques targeted for adult or international students should portray the campus from the nontraditional student vantage point. Merit scholarships and non-endowed institutional funds are increasingly used to discount tuition and to make the college choice affordable.

They carefully monitor the success of each stage via metrics. Technology: Online tools like the Common App have driven a flurry of applications—the number of students applying to seven or more colleges increased by from 2008 to 2013.

Admissions

All of the programs and their personnel need to clearly understand what they need to do to help ensure success for that activity. Education is indeed a door, but recruitment, admissions, and enrollment policies and practices dictate how wide that door is open.
