Dictionary of Americanisms : A Glossary of Words and Phrases Usually Regarded As Peculiar the United States (Classic Reprint)
by John Russell Bartlett (2016, Trade Paperback) for sale online

It is a common saying in the Northern States, on the opening of spring. If you break the first brake, and kill the first snake, you will go through all you undertake. A common way of killing squirrels among those who are expert with the rifle, in the Western States, is to strike with the ball the bark of the tree immediately beneath the squirrel; the concussion produced ----- p.

John Russell BARTLETT / Dictionary of Americanisms Glossary of Words 1st ed 1848

When a person is slandered in his absence, it is said to be done behind his back, that is, in secret, or when his back is turned. . Elevated lands, or plains upon which grow small trees, but never timber.

JOHN RUSSELL BARTLETT / Dictionary of Americanisms glossary of words and phrases

The popular name in Massachusetts for the convolvulus.
