During the reign of Henry VIII, as many as 72,000 people are estimated to have been executed. New entrants such as graduating students and re-entrants such as former homemakers can also suffer a spell of frictional unemployment.

unemployment : definition of unemployment and synonyms of unemployment (English)

Government-funded employment is not widely advocated as a solution to unemployment, except in times of crisis; this is attributed to the public sector jobs' existence depending directly on the tax receipts from private sector employment. High unemployment can also cause social problems such as crime; if people have less disposable income than before, it is very likely that crime levels within the economy
