Stigma in Shakespeare

Students will write a literary analysis 5-7 pp. Unit 3: Brave New Worlds of Text, Stage, and Media This unit will form something of the dark double of the previous discussion of prestige, as we will explore how Shakespeare gets adapted and re-mediated through multiple overlapping media. .

Historicizing Shakespeares...SAQ

It is the conflation of these two entities that largely drives both bardolaters and conspiracy theorists.

Shakespeare and Film (Fall 2015)

Hamlet's assertion of the historical embeddedness of theatre is by no means unequivocal. In short, the form of reception studies that predominates in our field of early modern studies at this juncture could widen its scope and do more to examine non-academic presentism, adopting some of the strategies of cultural studies to analyze the lessons we can learn about our present historical conditions as much as the texts from our period of study.

Chapter Five

To be fair, Fukuyama has since distanced himself from his now twenty-year-old prediction that western liberal democracy and laissez-faire economics would represent a teleological endpoint in the historical process.

ANCHORA: Faking Shakespeare (Part 1): Passionate Pilgrims

Bloom, too, notices the ways we reinvent Shakespeare when he attacks the academic attempt to usurp Shakespeare, the effort by critics he calls 'resenters' to nullify, by moralizing and historicizing, the deeply human presence we feel in so many of Shakespeare's plays. Obviously we disagree with this shoving aside the rightful candidate.
