Where There's Smoke, There's Fire: 100,000 Stolen Votes in Chicago

An increasing trend has been for incumbents to have an overwhelming advantage in House elections, and since the , an unusually low number of seats has changed hands in each election. These stories illustrated what was to be a recurring theme in the grand jury investigation: the theft of identities and the casting of fraudulent votes on behalf of dead voters, prison inmates, and people who had moved, as well as forged ballots cast on behalf of the elderly and the handicapped. Cattlemen printed materials, 1995 June.

### **US Election Statistics**

District Court for the Northern District of Illinois publicly released the federal grand jury's report on the 1982 election-only the third time in the history of the court that a grand jury report had been made public.
