Lady Chatterley's Lover Summary

The book has been read but remains in clean condition. She is much more interested in men for their intellectual conversations, although she has had sex prior to her marriage. But there's no denying that, in the Western world, they seem to have become a lot more pressing at two major points in recent history: the and.

Lady Chatterley's Lover book by D.H. Lawrence

Constance spends several weeks in Italy. She has not thought much about the sexual act ever before. Interested in participating in the? Even the tightness of his arms round her, even the intense movement of his body, and the springing of his seed in her, was a kind of sleep, from which she did not begin to rouse till he had finished and lay softly panting against her breast.

Lady Chatterley's Lover, by D. H. Lawrence

What's the main idea of this paragraph please? No need to order from anywhere else! When you don't have them they hate you because you won't; and when you do have them they hate you again, for some other reason. But Hilda was consistently modest and maidenly.
