## A Beginner's Guide to Direct Marketing

Historically direct mail has existed in the form of printed materials, but CDs, audio tapes, video tapes, fax mail, email, and voice mail are also used in direct mail campaigns. How soon do you want to mail the information out? When advertising is part of a broader IMC effort, it is important to consider the strategic role advertising will play relative to other marketing communication tools. Among the leading disadvantages of direct marketing are, not surprisingly, concerns about privacy and information security.
