## References

Special attention attaches to the history and development of CHM and museums strategies across the western world and the developing world. Previous applicants have included historians, artists, linguists and students from other walks of life.

## Other sources of information about the historic environment

The ADS will also seek to strike and sign such agreements with granting agencies that fund research exclusively or primarily in archaeology. Strategies also recommended that a list of designated accredited digital archives are published. Placements are available locally e.

## BBC

Although some research issues are raised the purpose of this introduction is to provide a general historical context for the different research designs which are presented in the articles. A table stores data in a format similar to a published table and consists of a series of rows and columns.

## Archaeology Staff

The SRP was started by English Heritage to consider specifically the case of Palaeolithic sites that are threatened by mineral extraction gravel and sand.

## Dr Catherine Mary Hills

The blood of the British. Archaeological sites are formed by both natural and anthropogenic processes and one of the problems of interpretation is differentiating between these processes.

## SMART PROJECT & RESOURCES

In 2012, I was appointed to the Abercromby Chair of Prehistoric Archaeology. Agreements with Co-operating Agencies Where significant bodies of material are held by other agencies, the ADS may pursue Co-operative Agreements for the exchange of catalogue data and access to information, in preference to direct acquisition. Course description Managing public archaeology Making Stonehenge, past and future Presenting Archaeology to the Public Archaeologists working in the applied sector Treasure and Portable Antiquities Archaeology and Cultural Resource Management in the USA Visit to the RCAHMS collections 'Archaeology in Practice' aims to develop student understanding and experience of the contemporary practice and issues of Archaeology with the UK and internationally through a range of talks by visiting professionals from outside the University.

## **BBC**

There are no easy answers, for there are so many often contradictory factors to consider. The Landmark Julius Caesar: The Gallic Wars and the Civil War.

## **Archaeology, planning policy and legislation in the UK**

First interim report of the excavations at Spong Hill, North Elmham 1972. Discipline and Punish: the Birth of the Prison, Vintage Books, New York.
