Determining Customary International Law: The ICJ's Methodology between Induction, Deduction and Assertion

Nor is this finding any more persuasive when looked at from a territorial perspective. As already stated, I do concur with the reasoning and conclusions in the Advisory Opinion. However these marks also form the basis for valuable and evocative brands.

Determining Customary International Law: The ICJ's Methodology between Induction, Deduction and Assertion

The Court notes that, according to the first paragraph of Article 2 of the Fourth Geneva Convention, that Convention is applicable when two conditions are fulfilled: that there exists an armed conflict whether or not a state of war has been recognized ; and that the conflict has arisen between two contracting parties.

Thus, the Court is first called upon to determine whether such rules and principles have been and are still being breached by the construction of the

wall along the planned route.

Options and Core Courses

The course aims to focus on a comparison of the approaches taken by US courts and the national courts of Europe. This course is very similar to courses of the same name that are taught on the MBA, but tweaked slightly to ensure they are particularly relevant for MLF students.
