And the 10 Ottawa lakes are ...

At 55, his back was bent with rheumatism but, in spite of his weakened physical condition, he remained a hero. The wide Kendall River Valley forms part of the caribou migration corridor. Looking forward to getting back on the river tomorrow.

Kichi Sibi

Life in the Camps of the Ottawa Valley When he settled in the Ottawa Valley in 1800, New England landowner Philemon Wright had a dream of establishing a farm colony.

Sponsored: Quality leaves no regrets at Valley Squire

Montferrand performed this feat in many Quebec taverns and it became his hallmark. We were looking for McKay Lake in Rockliffe Park.

The story of the Ottawa River: and precarious

We did not see the muskox again. To aid our walk, we played pop music to dance our way through the pain. Inscription on the Lady Head memorial in Portage-du-Fort.
