So, finally, they proposed a solution to keep them at home. Child labour is most prevalent in the agricultural sector, accounting for 59 per cent of all those in child labour, representing over 98 million children.

Agricultural Cooperative

Some people are interested in becoming farmers, but lack farming skills. The SCS conducted soil and snow surveys, river basin surveys, investigations, and watershed and flood control activities; assisted local groups in planning and developing land and water resources; and provided technical help to landowners and operators participating in USDA's agricultural conservation, cropland conversion, and cropland adjustment programs. HOraVER, DURING THE SAME PERIOD, THE NUMBER OF FRUIT TRESS IN ILLINOIS DECREASED ABOUT TWO MILLION, OR FORTY-ONE PER CENT.
