Life and Works : Ibsen Society of America

Henry, American expatriate in England, novelist, short story writer, playwright, interpreter of Western artistic and literary sensibilities, and by far the more well known of the two today, was an American progenitor of the modern psychological novel. Henry James was afflicted with a mild stutter; he overcame this by cultivating the habit of speaking very slowly and deliberately.

The Master Builder

Colin Meissner, Henry James and the Language of Experience, Cambridge University Press, 2009 John Pearson ed , The Prefaces of Henry James, Pennsylvania State University Press, 1993.

Henry James

James Joyce was never even a contender.

The Master Builder

Sinking steadily, though this visitor, a man of rare resources, now cordially approved by his physician, showed endless art in guarding him from pain, poor Dencombe kept no reckoning of favour or neglect, betrayed no symptom of regret or speculation. But Henry could bite back as well.

Henry James: the old master from the new world

Seven people representing more than one-quarter of the human race. Most of them were politically radical, like himself, and he began to take part in radical activities, including demonstrations and co-editing and contributing to a radical publication, in connection with which he came very close to being arrested and incarcerated. University Park: Pennsylvania State University Press, 1992.

Henrik Ibsen

Yet he found it an easier and more inspiring way to write. Alice produced a diary, but it was not published in her lifetime.

Life and Works : Ibsen Society of America

In 1878 *Pillars of Society* played in five different theaters in Berlin at the same time and then went on during the next twelve months to twenty-six further productions elsewhere in Germany.
