### Guns and Shooting

Cooper's Fireworks is a collection of wild, hilarious, shocking and always meaningful tales from the remarkable life of an American firearms legend.

### Red Star Remington Model 1903's

As he was writing it up for me, Loren told me of Ian's first visit to the old gentleman's garage, where he saw ten of these crates, still banded as they were the day they left England. Enthusiasts of the venerable Mosin-Nagant bolt-action rifle, one of the most basic of the Russian and Soviet small arms, will find a wealth of information in the latest Soviet military manual translation by Maj. Softbound, 64 pages 7D7701R L.

**The '03 Era When Smokeless  
 revolutionized U.S. riflery by:Clark S,  
 Campbell 889351813**

From some of the stories that I have heard  
 about CMP rifles, I think that you can  
 count yourself lucky to get one with all  
 matching parts. First off, I was wondering  
 about the approximate value of the  
 weapon.

**Lot**

I bought it from a deceased estate.
