## National Historic Preservation Act of 1966

The National Park Service mission is to help preserve these places—both within the parks and in communities across the nation—as tangible, living contacts with previous and future generations. Several of the domestic concerns the department originally dealt with were gradually transferred to other departments. On Tuesday September 1, 2020 U.

## Resources on Cultural Competency

He noted that the had little to do with the Treasury and also highlighted the , part of the , and the , part of the. Prior to the passage and subsequent enforcement through litigation of the National Historic Preservation Act of 1966 and other laws, most archaeologists, historians, and other historic preservation specialists were employed primarily in the field of academia, working at universities or other places of higher learning. A more complete set of acknowledgements are provided.

## Cultural Resources

About 75% of federal public land is managed by the department, with most of the remainder managed by the 's. As a result, many undergraduates and recent graduates in the fields which support the implementation of the National Historic Preservation Act have found gainful employment. Onsite surveys identify significant features to be retained as part of a comprehensive preservation plan.

## Natural and Cultural Resources Recovery Support Function (NCR RSF) Overview

Preservation practitioners must now be concerned with the safety of an historic building's occupants, as well as the security of equipment and data.

## Overview

Agency Affected: Department of the Interior Recommendation: The Secretary of the Interior should direct the Director, NPS, to finalize and issue the proposed regulation on curation and exchange of archeological collections promptly and ensure that it includes sections addressing agency internal controls over artifacts and combined or single-agency inspections of curatorial facilities having artifact collections from more than one federal agency.

### **Edutopia**

The preserved structures were often turned into museums to create a showcase and generate tourism.

### **Historic Preservation**
