Commentary on Zad al

Transcription errors have been removed and headings added. Now let us examine the reasons why the Hadith authorities reject al-Waqidi. Ibn Abi Hatim al-Razi d.

Sharh Aqidatul

This is because in the eyes of critics of Hadith all the reporters who report anything about the Prophet are equal unless their reliability and truthfulness are contested. On the other hand, he found a place in the Maghazi and his reports concerning the Maghazi have been accepted even by his critics.

Sharh Aqidatul

Some of our people have told me that he was reliable.

Commentary on Zad al

In other words, it is not possible to find out which part or portion of the report is narrated by which reporter. This brings us to another question: What place does al-Waqidi have in the Maghazi? The other thing that we should keep in our mind is that in the acceptability of reports from al-Zuhri, Ibn Ishaq or al-Waqidi the question is not of personality but is that of reliability. Thus one should not avoid it.

Commentary on Zad al

Among his supporters we find men like al-Darawardi d. The Supremely Strong, The Inexhaustible Strength The One whose strength is supreme.

Sharh Aqidatul

According to the degree of credibility has been given to each collection of Traditions and, by the same token, among the books of Maghazi. In fact, Zad excelled in terms of quantity and content. I have no doubt that he used to make up Hadith.

Abu Musab al

Had there not been a much more impressive and weightier list of opposite testimonials, the above favourable testimonials would have been valuable and acceptable. In case of al-Zuhri and Ibn Ishaq, only a few reports may be affected while in the case of al-Waqidi his whole book is in question. Problem with his way of narration The method that al-Waqidi had adopted to report events was rejected by critics on the basis that in this way it was not possible to find out the original source.

Sharh Aqidatul

Ahmad al-Khazarji writes: He was a scholar of Maghazi, Siyar, conquests and of difference among the people. These, in short, are the principles on which the initial structure of the early history and injunctions ahkam of Islam was built. Weight: 1375 In Stock : 13 Available Options: Add Free Book:.
