Spanish Resources

A popular Chinese novel, in colloquial idiom, Hsi Yu Ki is known in English mainly through Monkey, Arthur Waley's translation of about one-third of the original. Chamberlin's hypothesis, if it were true, would make Galdós one of the originators of the modern symphonic novel. Miss Lonelyhearts is tighter in construction, more pathetic, more com- passionatemore horrible.

Realism in Spain: Galdós, Pardo Bazán, Clarín and the European context

The commentaries on different situations often reveal different standpoints of the author himself.

Anales galdosianos. Año XVI, 1981

Hobbes said of him he was the most politic historiographer that ever was, by which he meant that he was very reticent in his judgment and let his reader to discern what the virtues and vices of the various characters are. As Carmen begins to love again, demons of her past begin to surface.

fortunata jacinta de perez galdos, Original o primera edición

If she is a silly woman who pursues mirages, she is also a figure of some stature, if only from the Faustian spark which separates her from the country drabs whose eyes never lift at all.

The Cambridge History of Spanish Literature

An epic of the American whaling industry, a parable showing the fate of the man who would stand alone and challenge God, the tragedy of modern man who trusts only in himself, a valiant defiance of the world's injustices Melville's plunge 36 25 MELVILLE-011 ARA into the depths is

all of these things. Strauss takes plenty of time to go through the , reading the dialogue and pausing to recap and discuss parts of it.

Conflicting realities : four readings of a chapter by Perez Galdos (Fortunata y Jacinta, Part III, Chapter IV) (Book, 1983)
[play.fridaynightfunk.rf.gd]

Fouqué was introduced to romanticism by Wilhelm von Schlegel, and drew his first inspiration from Cervantes. Ante todo, resulta evidente que el cineasta santanderino asumió como suya la declaración del novelista canario: «Don Evaristo González Feijoo merece algo más que una mención en este relato» Pérez Galdós: 1993, 559. Huck knows he is bad because he does not turn Jim in and send back to the Widder Douglas her rightful property.

Anales galdosianos. Año XVI, 1981

Pica called the boy John, in honor of the playmate of the little Christ; but Pietro commanded that he should be named Francis, because of the bright land from whence he drew the rich silks and thick velvets he liked to handle and to sell.
