In time, his hard work pays off as there is nobody who can beat him in butterfly. After this, Oberon tried using a Voice Command to generate Excalibur, the strongest weapon in ALO, for himself but to no avail. When swimming in competition, he wears black jammers which either have a white, grey and brown or a teal pattern.

Sugou Nobuyuki

You might find these onomatopoeia words used in manga as sound effects to express how the characters are feeling. Therefore, Japanese people also use onomatopoeias when they talk about those topics, as it aids them in describing exactly what they mean to.

Gorogoro is also used as the sound of a stomach, and the sound of a heavy object rolling.

Shigino Kisumi/Yamazaki Sousuke

Sousuke, however, isn't too sure he likes said change. One of them was Megumi, however she judged her based on her initial clumsiness, deeming her a boring student compared to the others.

Satoshi Isshiki

Adapted from the Light Novel of same name. Beasts were filthy, unintelligent creatures that shouldn't be a part of the world.

Satoshi Isshiki

The 30-Minute Endurance Drive 1324 2016. Several days later, the formal reveal of the participants for the Election took place. Recalling their

times training in Polar Star, Satoshi ignited Sōma's spirit.
