### NGK Insulators

To cherish each encounter in the tea room as a once-in-a-lifetime one is the essential spirit in tea ceremonies. After he deserted Hiroshima Domain, Rai Sanyo was captured, forcibly returned and confined to a room within his residence.

### Kindai Nihon gaikōshi, Shinobu Seizaburō cho

The current room was reconstructed in 1958 Showa 33 by Hiroshima Prefecture. We exhibit many original materials that show how Sanyo lived his life, and his works of history, poems, paintings, calligraphies, and materials concerning with his family history and so forth. Sanyo, born in Osaka in 1780, moved with his parents to Hiroshima the next year, since his father Shunsui was appointed Confucian scholar for the school the Hiroshima Domain founded.

### Nichi

Began sales of ceramic and industrial materials, etc. However, the original room was completely destroyed in the Atomic Bombing of Hiroshima. Rai Sanyo, his profile Rai Sanyo 1780-1832 was one of those litterateurs; he made his name as a historian, poet, calligrapher, artist, and so what in the late Edo period, when the samurai age was going to be put an end to in about fifty years.

### Nichi

System capacities range from 1. Concise descriptions and enthusiastic sentences were very popular, however, it used those war chronicles and so on as reference historical materials and there are some articles found, which are hard to say to be true to the historical facts.
