Such poetic discourses, which rely on indigenous myths and metaphors, are deliberately employed by Ghosh in the entire translation, in order to make viewers feel that they are responding not to an alien but to an in-culture text. Here, the Shakespearean farce is restored to its most elemental, and an ensemble of restive agents deliver a roster of full-throated folk numbers in a set-up that recalls a traditional music mandli, and even with its cast of urban players, the rustic appeal remains undiminished.

Shakespeare in India

ROY: Yeah, I think that perhaps the deeper influence of Shakespeare is to be found not in these adaptations or actual performances of Shakespeare viewed by, you know, tiny minorities here and there, but really in the way in which other playwrights.

Shakespeare, The Flavour of Indian Cinema

All of that is background for our conversation with two experts on this subject, Jyotsna Singh, professor of English at Michigan State University, and Modhumita Roy, associate professor of English at Tufts.

Shakespeare in India (1987 edition)

And Utpal Dutt was in the '50s and '60s and then, you know, there was the National School of Drama and other productions.

Shakespeare in India: Modes of Performance

We met Rajiva Verma, another emeritus Delhi University professor as well as President of the Shakespeare Society of India and author of Myth

and Ritual in Shakespeare; and the Desais' niece, Ruth Vanita, a professor of cultural studies at the University of Montana who'd returned with her lovely partner Mona to her native India for a spell. Though separated, these two plays have one single historical connection that is explored in the 2016 film in a modern context.

Shakespeare and India

India was the first geographical locale to require Shakespeare for formal study in English, since Shakespeare was seen as a conduit to the appreciation of what was most admirably English. And it has happened because Ghosh followed the rulings of—a play should begin with Naandi for the playwright to notify the audience about his intention in writing the play.

Cinematising Shakespeare

The film turned out to be a blockbuster but also got involved in a controversy as it showed the leading characters, mostly Muslims, associated with illegal activities.

Shakespeare in India: Geoffrey Kendal's legacy and some reflections on recent productions from Mumbai :
