## Port Development and Competition in East and Southern Africa : Prospects and Challenges

Beginning 1 July 2016, five export sectors have been zero-rated, which was the priority demand of exporters. We know that the main raw material of this sector is cotton. It is the largest exporting industry in Bangladesh, which experienced phenomenal growth during the last 20 years.

### Covid

There is however huge potential for increasing RMG exports many folds given the expected growth of global apparel demand in the future.

### Bangladesh Exports 1960

Handicrafts and Textile Handicraft business is related to the accumulation of handmade product from over the country and to sell them in retail shops or to export in another countries.

### Bangladesh Exports To Non

There are some other problems which are associated with this sector. World Investment Report-2015 by United Nations Conference on Trade and Development UNCTAD 3.
