Alone In The Wilderness, Part Two

The other should go from the groin to 10 inches past the foot. His epic journey takes you on a vacation away from the hustle and bustle of today's fast-paced society, and is a true breath of fresh air.

How to Treat Any Broken Bone in the Wilderness (with Pictures)

Contestants needed to win the trust of the couple who had built the house and lived there for more than 30 years, Duane and Rena Ose, in addition to demonstrating their survival prowess to CJ, an -type Alaskan wilderness expert.

Alone In The Wilderness, Part Two

The pair that manages to make an impression on Duane and Rena on all the tasks combined gets the once-in-a-lifetime opportunity to live in the Ose property.

Deuteronomy 2 NIV

Once you drop down into the next area, be wary of more traps on the ground.
