## Bookmill

We really were able to personalize our wedding with unique details that we would not have been able to do in another setting. These are from Europe and the Middle East, presumably sent to Dickinson by friends.

## Montague, MA Real Estate

We are currently accepting inquiries for the 2022 Wedding Season! In 1935 Roger's masterpiece, The Bible for Oxford University Press, was completed in lectern-sized format with pages that measured 12 x 16 inches. We are so glad we found the Montague Retreat Center and through them got to know the Pioneer Valley better! Population of Counties by Minor Civil Divisions: 1930 to 1950. They've done an incredible job of turning this space into a wedding venue, and there all kinds of little nooks, crannies, and quirks that make it come alive.

We loved that we had the whole weekend to see our guests and that they got to know the place, too.

## The Barn at Montague Retreat Center

It is simply great and all our guests thoroughly enjoyed every event we held there for our wedding celebration 4 events over 4 days.
