Active Weather For The Northwest and Southeast U.

National Weather Service

Expect heavy rain and widespread mountain snow. Heading Into The Weekend A developing coastal low will produce rain and thunderstorms from the Gulf Coast and Southeast into the Mid-Atlantic region through Saturday.

Local Weather Forecast, News and Conditions

A few of these thunderstorms may be severe across south Florida, including in the Miami metro area.

Local Weather Forecast, News and Conditions

. Meanwhile, a powerful cold front will plunge through the Northwest into the Interior West this weekend. .
