D.W. Saves the Day (Arthur's Family Values, #15) by Marc Brown

Spine creases, wear to binding and pages from reading. He has three children, sons Tolon and Tucker, and daug Marc Tolon Brown is perhaps best known for his series of children's books about Arthur the aardvark, which was turned into an animated television show on PBS.

Accessories such as CD, codes, toys, may not be included. It's totally obnoxious and filled with goofy words that no self-respecting eight-year-old would ever repeat.
