James Holsinger collection on military documents

Although the government promised help to the settlers, in fact most of them received little but the land itself.

Chapter 20: War crimes and atrocities. Escape over the border.

Memorandum from the President's Acting Special Assistant for National Security Affairs Komer to President Johnson, Washington, 8 March 1966, 3:45 p. It also claims that over 17,000 soldiers and officers were taken prisoner, 28 tanks and self-propelled guns were captured, as were over 500 guns of various calibres, more than 600 mortars, 483 machine guns, 11,000 rifles and sub-machine guns, over 1,500 vehicles, 98 tractors and trailers, 376 motorcycles and bicycles, in excess of 3,000 horses and 28 warehouses full of military goods. By replacing the village notables with GVN appointed officials, Diem swept away the traditional administrative autonomy of the village officials, and took upon himself and his government the onus for whatever corruption and injustice subsequently developed at that level.

Pacification of Yatkusik

He was at least a triple personality. Accordingly, the conflict could be politicized and thus returned to Vietnamese civilian control. Most of the leading Buddhist monks were arrested, went underground, or fled the country; by 1985 their ranks had been cut down to one-third.

Trần Ngọc Châu

Entire families were killed or exiled to Siberia. Government records and interviews with officers who served in Vietnam, but Spector has also consulted the major books on Vietnam in English and French.

16th Infantry Regiment (United States)

In the former battle, Platoon Sergeant from B Company was mortally wounded while demonstrating indomitable courage and superb leadership. Châu objected that as a military officer he was not suited to be a civil administrator, but Diem insisted. They could scarcely defend themselves,

much less secure the farmers.
