## Full text of cases before the King's Council, 1243

Sai the that he hath no cosine called by that name, neither that he hath written any lettres to any suche effect as is contained in the said counsels lettres to any called Robinson or any other.

## Patriarcha and Other Writings

Frater Willelmus de la More, magister Milicie Templi in Anglia, posuit loco suo fratrem Willelmum de Grafton', ad consensendum et faciendum in parlamento que idem magister faceret si presens esset. He utterly denyeth that ever he received any others then those aforesayde, and sayth that he is not privie of any delivery to any others.

## De termino Hillarii anno regni regis Edwardi tertij xxix

It was therefore by custom and general acquiescence that this part of the council's jurisdiction was established before the Statute 3 Hen. Venerant ad regem in An- by the gham majores ducatus Vasconia graviter conquerentes et regi denunciantes, quod Simon de Monteforti comes Leycestrise, qui fuerat senescallus Vasconise, procures et populum ipsius provincie per indebitas extorsiones f. Obiit Pandulfus Norwicensis episcopus ; successit ei Thomas de Blunvile.

## Full text of coucher book of the Cistercian abbey of Kirkstall, in the West Riding of the county of York. Printed from the original preserved in the Public record

This plea prevails, and once more a final judgment is given for the Prior.

## Full text of cases before the King's Council, 1243

Corpus ejus delatum apud Fonteni Ebraudi, sepultum est ibidem ad pedes patris sui regis Henrici.

#### **History of Norfolk/Volume 4**

At figure 28 is the monument of Dame Elizabeth Calthorp, with the arms of Calthorp impaling Berney, she being the daughter of Ralph Berney of Gunton, Esq.

#### **Full text of**

This is also of Herbert's foundation, and before any chapel was built to the palace, was the Bishop's own private chapel; it was dedicated to this Holy name, and had the mass of Jesus said daily in it to the Dissolution. Therefore good people judge you whether I am guilty of this fact or noe.
