The more we talk about it and face it
together, the more we will realize that we
were never alone. He discusses both the
splendor and the anguish that envelops him,
and he talks about how forces outside of
the country are accountable for their
destiny. While the rest of the poem is a joy
to read, these first two lines are truly all
you need.

 you can feel your stomach churn. The
 poem follows several characters, one of
 whom is Earth, while describing the hard
 work the people engage in to keep
 themselves alive.

 own trees! Yet here, in this songlike poem,
 Hardy looks to a brighter tomorrow than
 today has proved to be: O sweet To-
 morrow! A little bit of anxiety, especially
 before a major event, is common, but for
 those who struggle with anxiety disorders,
 it can have a huge impact on their lives.
 Earth endures; Stars abide— Shine down
 in the old sea; Old are the shores; But
 where are old men? Out of a fear of the
 unknown, they prefer suffering that is
 familiar.
