Legislating a Woman's Seat on the Board: Institutional Factors Driving Gender Quotas for Boards of Directors

In other words, how is patriarchy altered or reconstituted after migration? The bulk of the literature on gender and political behavior focuses on the United States, and most of the cross-national research is limited to Western, industrialized nations.

Women and Migration: Incorporating Gender into International Migration Theory

The emergence of development theory The use of the term development to refer to national emerged in the United States beginning in the 1940s and in association with a key American concern: how to shape the future of the newly independent states in ways that would ensure that they would not be drawn into the communist Soviet bloc.

Does Integration Change Gender Attitudes? The Effect of Randomly Assigning Women to Traditionally Male Teams

Massachusetts Institute of Technology, Boston, Massachusetts, USA.

Does Integration Change Gender Attitudes? The Effect of Randomly Assigning Women to Traditionally Male Teams

A critique of the use of path dependency in policy studies.
