**Margaret Renkl**

In fact the troubadours were far more earthy and sexual than they are often depicted. Maybe that was the problem, although I think not. The bestselling author of *A Natural History of the Senses* now explores the allure of adultery, the appeal of aphrodisiacs, and the cult of the kiss.

**A Natural History of Love by Diane Ackerman: 9780679761839**

One has only to read the prose tales of such love affairs rather than the poetry—which is better known—to find abundant sex see, for instances, the lays of Marie de France.

**A Natural History Of Love by Diane Ackerman**

To some contemporary scientists, it may be a biochemical cocktail of oxytocin and phenylethylamine.

**Review: [Untitled] on JSTOR**

What was the relationship between love and marriage? To love one's friends is common practice, to love one's enemies only among Christians. Lust, according to Saint Augustine, is an overindulgence, but to love and be loved is what he has sought for his entire life.

**A Natural History of Love**

He explains that these four stages lead the lover on a journey through which his love for his beloved progressively strengthens, until he becomes completely immersed in the beloved and the beloved becomes a part of him. Hunt then covers the gradual development and spread of this ascetic tradition throughout the empire as well as its assimilation into the main fabric of this new religion.
