. He threatens the life of a witness against him on a bootlegging charge.

**Annals of the poor : containing the dairyman's daughter, the negro servant, and young cottager, &c. &c. : Richmond, Legh, 1772**

Though known in cemetery records, the grave itself is unmarked. They seem to have been friends, at one point. Richmond is thought to have originated the use of boards with movable numbers to indicate hymn numbers during church services.

**The Annals of the Poor by Legh Richmond, Paperback**

He reaches into his pocket and dumps a handful of change - pennies, nickels, and dimes - onto the table. The author's conclusions challenge much of the prevailing orthodoxy, and his extensive use of literary and attitudinal material is closely integrated with the quantitative restatement of an interpretation that owes much to the older tradition of the Hammonds' Village Labourer.
