About Lee

I chose this book for my first book club reading.

A Deeper Blue on Apple Books

The novel is divided into two parts, each featuring an outrageously nefarious, impossibly gorgeous black gay anti-hero. Heart-sick over the deaths of so many of his Keldara followers, and one in particular, former SEAL Mike Harmon, hero of Ghost, Kildar and Choosers of the Slain, decides to sit this one out. Manipulation, secrets, dishonor, lust, dreams and Narcissism tear through this Book chapter to chapter.
