When it comes to static feminine and its negative expressions, he gives a lot of specific examples. Hill also describes the particular dynamics that are found in the tension between two polarities: for instance, in the US, we have tension between the dominant Static Masculine and the rebelling Dynamic Feminine.

The Feminine and the Masculine Revisited

. Do you know where I might read a good explanation of this? Jeanie Liked by To be clear, I have not read the book yet. It has changed the way I work and think.

Masculine and Feminine

Witryna wykorzystuje Akismet, aby ograniczyć spam. I wish the book were more widely read and used. Twenty years later, I continue to draw upon its concise theories of masculine and feminine dynamics.

In a negative sense, it may lead to addiction, suicide, chaos, despair and death. .

Gareth S. Hill

Nearly twenty years ago I floundered in my work as a psychotherapist. When I first read Hill's book, it brought order to my confusion. I had some decent technique but my capacity to think clinically was hampered by the plethora of psychoanalytic theories I had studied.

The Feminine and the Masculine Revisited

This book is amazing - gives an excellent perspective on development and mental health issues.

play.fridaynightfunk.rf.gd: Masculine and Feminine: The Natural Flow of Opposites in the Psyche eBook: Hill, Gareth : Kindle Store

The author takes the two central Jungian concepts, call it Anima and Animus if you will, to develop his sophisticated reflection upon the theme, bridging Jungian and non-Jungian approaches in a useful and gender-natural way.
