## Equality, the Third World, and Economic Delusion by P.T. Bauer

Development money is extorted from taxpayers who have no choice. Bauer, by contrast, props their arguments up as straw men.

## Equality, the Third World, and Economic Delusion by P. T. Bauer, Paperback

There were still many NGOs involved in resettling the people who had been displaced from the floodplain, setting up hospitals and clinics, organizing schools, building roads and doing everything else in the new communities they had built.

## Equality, the Third World, and Economic Delusion

Wikipedia citation Copy and paste this code into your Wikipedia page. Throughout the book, Bauer carefully examines the evidence and the light it throws on the propositions of development.

However, it is prosperous by any measure and has expanded economically at an astronomical rate. Even if a person can make out printed characters and form the words, he probably cannot understand the concepts. Our preconceived ideas on how to help emerging areas become prosperous are often ill-advised and we need to be better at achieving results rather than providing the means for internal control and corruption.
