### The Book as Art

The book could be made through fine press printing or hand-crafted, the pages illustrated with computer-generated images or cheap photocopies; books became sculptures, tiny and gargantuan; books were sliced up and reconfigured, made from all kinds of materials with unconventional objects incorporated, in unique or limited editions, or produced in multiple copies. In subsequent years, the exhibit has grown to include entries from all over the world, featuring well-known artists for their exquisite work.

### Art Appreciation

Get Started with Stock Art Are you a novice artist? We chose a portrait layout to complement the photographs in the book, and a quarter-binding covering the spine with a material such as cloth to give an elegant, traditional feel.

### Artists' Books

These sculptures are three-dimensional and can be either free-standing or bas relief and would be considered art forms in themselves. JG: The democratic multiple started off in the middle to late 1960s.

### The Book as Art

Sometimes in a book you can have twenty collaborators. The art schools are beginning to teach marbling, which is the easiest thing in the world to do badly.
